

UltraONE® Driver Rewards Club Program

Official Rules – January 3, 2020

Description of Program

1. The UltraONE Driver Rewards Club Program (the “Program”) is a program where members can earn and obtain points (“UltraONE Points”) and credits (“UltraCredits”) which are redeemable for various benefits, merchandise and/or prizes. These Official Rules (“Official Rules”) govern the Program which is sponsored by TA Operating LLC (“TA”) d/b/a TravelCenters of America® (“TravelCenters”) and Petro Stopping Centers® (“Petro”). You may enroll one time only in the Program by (a) calling (1-800-632-9240), (b) completing an enrollment form at an UltraONE Redemption Center kiosk (a “Kiosk”), (c) at www.ta-petro.com/ultraone (the “Website”), or (d) by completing an enrollment form on the **TruckSmart**® mobile app. You must use the name printed on your commercial driver’s license (“CDL”) when registering and have the following information correctly recorded in the Program database: name, street address or P.O. Box, apartment number, city, state or province, ZIP or Postal Code, telephone and/or cell phone number including area code (the “Account Phone Number”), date of birth and, if you wish to use your Account Phone Number as provided herein, a pin code (“PIN”). PINs must be activated through customer service by calling 1-800-632-9240 . Providing fictitious, incorrect or false information may result in termination of your account and forfeiture of all existing UltraONE Points, UltraCredits and any other benefits.
2. TA will mail an UltraONE Club membership card (“Card”) to you upon completion of your enrollment.
3. By using and/or enrolling and by providing your individual information, you agree to abide by the current Program Official Rules, which are subject to change from time to time and can be found at www.ta-petro.com/ultraone. Further, you consent to TA’s collection, use and disclosure of your information in connection with the Program and in accordance with the privacy policy at www.ta-petro.com.
4. TA, in its sole discretion, will resolve all questions or disputes regarding the Program, including but not limited to eligibility questions and the provision of benefits. TA reserves the right to terminate, modify, revise, or change the Program and the Official Rules, in whole or part, at any time with or without notice. Changes may revise, for example, rules for earning or using UltraONE Points and/or UltraCredits, continued availability of Program awards, expiration dates, program partners and the features of special offers. Changes may result in a reduction in the value of UltraONE Points, UltraCredits or Certificates (as such term is hereafter defined) already accumulated, and may also result in forfeiture of unused UltraONE Points, UltraCredits or Certificates.
5. Further, TA and its partners have the right to change, limit, modify or cancel rewards and reward levels at any time with or without notice to members. That includes, but is not limited to: increasing or decreasing levels or number of UltraONE Points received for every gallon (or equivalent) of diesel fuel/DEF purchased, increasing or decreasing levels or number of UltraONE Points received per amount spent at all participating TA Truck Service® shops or required for a reward or UltraCredit, changing the types of rewards, adding blackout dates, limiting availability for a reward at any participating Location (as such term is defined below) and changing locations served by TA. In the event that any of these conditions occur, members may not be able to obtain certain rewards. You should check the latest Official Rules on the Website.
6. UltraONE Points, UltraCredits, Certificates and awards are not redeemable for cash, and may not be transferred, purchased, sold, or bartered.
7. You must take proper care to protect your account and account information. This includes but is not limited to regularly checking transactions, keeping the Card in a safe place at all times, not sharing the Card, PIN or any account information with others, properly exiting a Kiosk when finished using it, and keeping Certificates in a secure place. If you suspect suspicious activity on your account please contact customer service immediately at 1-800-632-9240. Please note that for security reasons, UltraONE customer service is not permitted to provide account numbers over the phone. PIN numbers will be provided over the phone only with a valid account number and other verification information.

Eligibility

1. Any individual TravelCenters or Petro customer 18 years of age or older with a CDL is eligible for membership in the Program. Corporations or other entities are not eligible for membership. Employees of TA or its affiliates are not eligible for membership at any level of the Program and may not possess a Card for any reason. Drivers who are members of the Program may not belong to another driver-rewards club sponsored by TA.
2. TA reserves the right to determine eligibility in the Program. TA reserves the right to disqualify anyone and terminate any member for any reason, including but not limited to any actions meant to abuse the Program, circumvent the Official Rules, or utilize the Program in a manner inconsistent with the rules, terms, conditions, or intent of the Program or any portion of the Program.
3. A member wishing to earn or redeem UltraONE Points or other Program rewards or benefits must have a Card in his or her name or must use his or her Account Phone Number and activated PIN. This includes but is not limited to team drivers – including husband and wife teams – who must each have a separate Card or a separate Account Phone Number and activated PIN.

Membership Levels

1. There are two Program membership levels – Standard and UltraONE Platinum. All members start out at the Standard level. If your account is in good standing and you earn at least twenty thousand (20,000) qualifying UltraONE Points during the current calendar year, you are eligible for an UltraONE Platinum level membership. Once UltraONE Platinum level status is achieved by earning twenty thousand (20,000) qualifying UltraONE Points, a member must earn at least ten thousand (10,000) qualifying UltraONE Points each calendar year thereafter in order to maintain UltraONE Platinum level status.

Only UltraONE Points issued to a member upon making a qualifying purchase at a Location (as provided in the Sections 2a and 2c of the “Earning UltraONE Points” section below) are considered qualifying UltraONE Points for purposes of determining Platinum level status. UltraONE Points awarded as prizes are not counted toward Platinum level status. In addition, any additional UltraONE Points that (i) Platinum members receive for purchases made in the TA Truck Service Shops (as provided in Section 2c of the “Earning UltraONE Points” section below) or (ii) that members receive due to reaching a particular Gear Level (as provided in Section 2b of the “Earning UltraONE Points” section below) are not counted when determining Platinum level status. In no event is more than one (1) UltraONE Point per qualifying dollar spent counted when determining Platinum level status.

2. UltraONE Platinum level membership is determined by TA in its sole discretion. Members will be notified via a Kiosk and will be required to verify their contact information. Once the information is verified, an UltraONE Platinum card will be mailed and UltraONE Platinum benefits will be activated. Your UltraONE membership account will be updated to UltraONE Platinum status and any UltraONE Points and UltraCredits you have earned will remain on your account. Until the new Card is received, the existing Card can be used. Once the new Card is received, the old Card should be destroyed. In order to maintain UltraONE Platinum level membership, you must qualify (i.e. earn the requisite number of UltraONE Points) each calendar year. Otherwise, membership status may be reduced. If membership status is reduced, your UltraONE Platinum card will expire on the last day of the applicable calendar year and a new Standard level Card will be sent to you. You should continue to use the UltraONE Platinum card until your new Standard card arrives. In this instance, no UltraONE Platinum benefits will be offered, you will simply be using an UltraONE Platinum level Card. Use of the UltraONE Platinum level Card alone does not imply, entitle or guarantee the holder to any additional privileges, benefits or other rewards.

Earning UltraONE Points

1. Members earn UltraONE Points at participating TravelCenters and Petro locations (each a “Location” and collectively the “Locations”). Your account must be active at the time a purchase is made in order to receive UltraONE Points. UltraONE Points will be issued for purchases made at TA Truck Service Locations only if your account is active and if at the time of purchase you (i) present your Card or (ii) enter your Account Phone Number and PIN. When paying for diesel fuel or DEF at the pump, UltraONE Points will be issued for purchases only if your account is active and if, at the appropriate time at the pump you (i) swipe your Card or (ii) enter your Account Phone Number and PIN.
2. UltraONE Points are earned as follows:
 - a. **Diesel Fuel and DEF:** One (1) UltraONE Point for every gallon (or equivalent) purchased.
 - b. **Additional UltraONE Points on Diesel Fuel and DEF:** Members have the opportunity to earn more UltraONE Points per gallon by purchasing greater volumes of diesel fuel and DEF. Based on the number of gallons of diesel fuel and DEF purchased in the current calendar month, members will qualify for a specific “Gear Level” for the immediately following calendar month based on the following chart:

Gear Level	Gallons purchased in current month	Additional UltraONE Points Earned Per Gallon purchased in following month
First Gear	749 gallons or less	0 Points
Second Gear	750 – 1249 gallons	1 Point
Third Gear	1,250 – 1,499 gallons	2 Points
Fourth Gear	1,500 – 1,749 gallons	2 Points
Max Gear	1,750 gallons or more	3 Points

Members cannot roll over any gallons of diesel fuel and DEF gallons purchased in one month to the next calendar month. For purposes of tracking diesel fuel and DEF purchases, gallons start at zero on the first day of each calendar month. For purposes of the Program, the first ‘current month’ for which purchases shall be tracked to determine Gear Levels begins on January 1, 2019 (or such later month that a member first purchases diesel/DEF or first becomes a member of the Program).

By way of example only, if a Standard member purchased 1,100 gallons in January 2019, the member would earn one UltraONE Point per gallon in January 2019 (per Section 2a above) and two (2) UltraONE Points per gallon purchased during the month of February 2019 (one (1) UltraONE Point per gallon purchased (per Section 2a above) plus one (1) additional UltraONE Point for reaching Second Gear in January (per Section 2b above)). If the same member then purchased 600 gallons in February 2019, the member would earn one (1) UltraONE Point per gallon purchased (per Section 2a above) in March, but no additional UltraONE Points since only First Gear was reached in February).

- c. **TA Truck Service Shops:** One (1) UltraONE Point per dollar spent (UltraONE Platinum level members earn two (2) UltraONE Points per dollar spent), except for purchases made on a National Tire Account. Work orders that include new tires or retread tires purchased on a National Tire Account earn two hundred (200) UltraONE Points per tire

purchased for Standard Members and four hundred (400) UltraONE points per tire purchased for Platinum Members;; no other products or services purchased on a National Tire Account work order qualify for UltraONE Points.

- d. In cases where additional UltraONE Points are being offered to members, UltraONE Platinum members will receive the better of the two offers, but not both. For example, if TravelCenters or Petro offers members five (5) UltraONE Points for every dollar spent in the TA Truck Service Shops or Petro:Lube Shops, then UltraONE Platinum level members will earn five (5) UltraONE Points instead of the standard two (2) UltraONE Points.
3. The following limitations on earning UltraONE Points apply to all members:
 - a. Members will earn UltraONE Points on only two (2) diesel fuel/DEF purchases per day
 - b. Members will earn UltraONE Points on only three (3) truck service shop transactions per day
 - c. Members can earn a maximum of 15,000 UltraONE Points in connection with diesel fuel and DEF purchases in any one calendar month (including any additional UltraONE Points earned for reaching particular Gear Levels)

UltraONE Points will not be awarded for any purchases or transactions in excess of these limits.

4. You only earn UltraONE Points for purchases/transactions that you make and pay for. You may not share Cards, have UltraONE Points allocated to other members, transfer awards/benefits, or receive UltraONE Points or any rewards from other members. By participating, you agree not to attempt to gain or accept UltraONE Points from purchases made by other members. UltraONE Points are not redeemable for cash. TA reserves the right to reduce or eliminate UltraONE Point balances at its sole discretion due to improper use of the Program. TA further reserves the right to cancel and restrict future membership in the Program due to improper use of the Program. TA's employees are prohibited from issuing UltraONE Points for purchases not made and paid for by the member.
5. UltraONE Points will not be issued for purchases of beer, tobacco, alcohol, gift certificates, labor for tires installed on a National Tire Account, used tires purchased on a National Tire Account, or on Freightliner or Delco warranty repair work. UltraONE Points will not be issued on the amount of any discounts, gratuities, sales tax on items purchased, or for any purchases made using Certificates.
6. A member must contact customer service at 1-800-632-9240 within twenty-four (24) hours of swiping a Card or entering his/her Account Phone Number and PIN if he/she believes that UltraONE Points were not properly issued to his/her account after making a qualified purchase. UltraONE Points will not be added to an account if a member fails to contact customer service within such time period.

Expiration of UltraONE Points

1. UltraONE Points, and any special offers or other rewards of any type existing in a member's account, will automatically expire if no activity is recorded on an account for a period of 180 consecutive calendar days, and the members account status will then be set to inactive. Activity is defined as a Certificate being printed or UltraONE Points being added via a qualifying purchase. In order to earn and redeem UltraONE Points, an account must be active. An account can be reactivated by contacting UltraONE toll-free at 1-800-632-9240.
2. UltraONE Points will automatically expire if not redeemed within twenty-four (24) months from the date of issuance.

TA will not credit UltraONE Points or rewards back to the Program account for returned merchandise. TA will not issue UltraONE Points or reward credits for returned merchandise.
11. Rewards are subject to availability and subject to change. Conditions or restrictions specified by TA or the providing company, sponsor, or promoter will be observed. TA is not responsible, and assumes no liability, for changes or discontinuances of rewards or the availability of such rewards.
