

TRUCK SMART

TruckSmart gives you the information and access you want when you want it.

The newly enhanced TruckSmart app is designed to make life on the road easier. Search for TA, Petro and TA Express locations based on your needs - food, truck services, parking and so much more.

Reserve and pay for showers and parking right from the app. TruckSmart gives real-time location updates, including weather and construction updates, so you can arrive at our locations with confidence knowing you'll get the services you need. You can contact RoadSquad emergency breakdown service right from the app.
